

Application No. 10/773,446

REMARKS

Claims 1-39 and 53-62 are pending. Claim 1 has been amended to correct an inadvertent error. The recitation "subretinal space" has been changed to "extracellular matrix of a retina or choroid". Support for the amendment can be found in the specification, for example at page 8, lines 15-18, and in the originally filed claims. No new matter has been added.

Early and favorable action on the application is respectfully requested.

Respectfully submitted,

Date: 8/19/05
